Keppel LeTourneau signs MOU with Dammam Shipyard to provide one-stop shop with comprehensive aftermarket services

Keppel LeTourneau Middle FZE has signed a Memorandum of Understanding (MOU) with Dammam Shipyard to provide a one-stop shop with comprehensive aftermarket services for customers in Saudi Arabia.

Keppel LeTourneau's proven track record and extensive experience, together with Dammam Shipyard's prime location and top-notch facilities, will enable both companies to provide an even higher standard of service to new and existing clients in the Middle East.
